Unit 112 Year-End Education Report

Our Unit supports Education in several ways:

- In May each year, we present Scholastic Achievement Awards to one 5th grade young lady at each of eight different elementary schools. These are pictures from two of our May, 2019 presentations.

- Each year, we recognize the teachers and staff at three schools with huge goody baskets of fruits and breakfast pastries during National Teacher Appreciation Week. Picture from May, 2019.

- In the past, we collected school supplies for three elementary schools, but we were asked to switch gears a bit because they each got more school supplies than needed but could use other items. We have adopted the food pantry at one elementary school and just before Thanksgiving, we provided the non-perishable Thanksgiving dinner items (candied yams, marshmallows, stuffing, gravy, canned corn, canned green beans, cranberry sauce, and mashed potatoes) for the families identified as on free breakfast and lunch. Many of these families are active duty or veteran families. This year, we provided just under \$700 in food items for the school's families.

- For Give Ten to Education this year, we adopted one classroom and participated in the Scholastic Books Classroom Book project. For \$10 per student, Scholastic Books will provide one book per month for each student in the classroom. We donated \$250 to provide each of 25 students with a book every month this school year.

The Poppy program for our unit was carried out as follows: Community events and Poppy booths were the main source of donations. Members attended the Oviedo Great Day in the Park which was held Memorial week-end. City official were given poppies to wear. We gave out Poppies to the Veteran parents of students attending the school event at a local elementary school. We received donations from our our home Post and and other local Post that dosen't have an Auxiliary. It was a good year considering that we had the events worked by 3 to 4 members. Unit 112 2019-2020 Year-End Public Relations Report

Unit 112 is very active publicizing not just our Unit but also the American Legion Auxiliary organization, the Legion, and the Sons of the Legion.

While we have not sought out media coverage for any activities, we are very active on social media, having a website, and both a Facebook fan page and a Facebook Group. We always have a full-page article with pictures in our Legion family bi-monthly newsletter.

This year, we had several opportunities to be visible in the public:

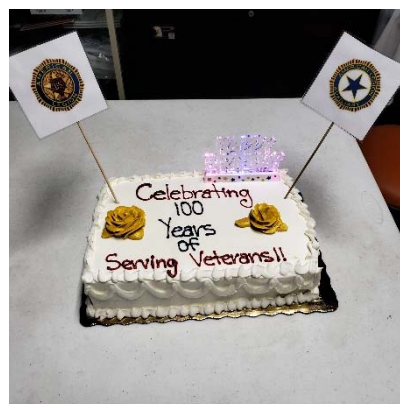

- One of our members did a presentation for one of the local Rotary Clubs where she explained all the Auxiliary programs and how Unit 112 specifically supports every program. Also included in the presentation was information about the full Legion family and she was able to assist with recruiting new members for the Legion family.
- For Veterans Day, our unit members were invited to attend the Veterans Day program at Eastbrook Elementary School where we were able to have a membership table. We gave out full family information packets, including applications, and we made sure that every Veteran attending was given a Poppy (no donations were accepted.)
- Also, in November, our Unit partnered with Post 243 to distribute Poppies and information about the Auxiliary at the annual Oviedo in the Park Veterans Day celebration. We also participate in the Memorial Day program in Oviedo as well. See below for pictures of our PR activities.
- For the Legion/Auxiliary 100th Anniversary, we celebrated at the Post during our installation.
