President Charlotte's theme:
"Securing Our Foundation To Build A Stronger Future!"

SIDE NOTE: Do you know about Ashley's House? It's a Transition Home for female veterans being built in Eustis by The Villagers For Veterans. Their annual major fundraiser is the Orchard Gala being held on October 5th. A VERY GENEROUS donor is willing to match donations up to \$20,000 at that gala. So ... even if you don't attend the gala, if you send a check made out to "Villagers For Veterans" and date it for that night (October 5, 2024) and in the memo put 'Ashley's House', it will get matched. So your \$10 will become \$20, your \$50 will become \$100, etc.! It's that easy. Every dollar counts.

If you plan on coming to Post 219 on September 20th, feel free to bring your Unit's donation to Ashley's House with you ... as we're hoping to have representatives from The Villagers For Veterans with us that evening. Otherwise, mail donations to Villagers For Veterans, 2518 Burnsed Blvd., Box 303, The Villages, FL 32163.

Submitted By Dara Oliver, 6th District and Department of Florida Historian 2023-2025

HISTORY IS MEANT TO BE SHARED ~

Throughout this year, Unit Historians will collect, gather, write, journal, photograph, post, and so much more ... but did you know that it isn't ONLY "their" responsibility to help in making your History a success?

It's everyone in the Unit's job to help by taking photos and writing about what the event, project or program the Unit was involved in.

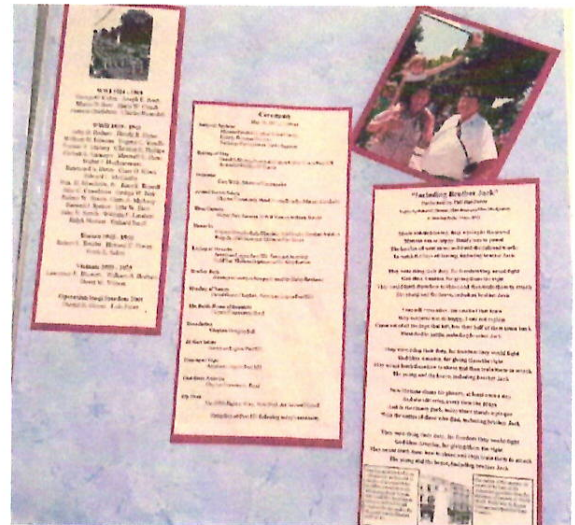

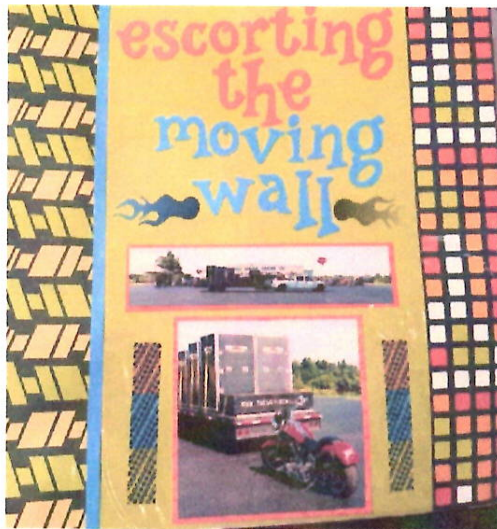

And did you also know that even though you start your History on the day of Installation, your History isn't just about the travels of your President?

At School of Instruction, a Unit asked how they could get everyone involved in helping to make a scrapbook to submit for the new Department Award: The Voorhis Award, which is a Pictorial History Book. I suggested that they plan a one day event and provide scrapbook paper, the photos, embellishments and craft tools to "build your book." Each member would get the photos for a certain event i.e.: One member would have a Spaghetti 🍝 dinner, another member might have Wreaths Across America, another would have a Gold Star Mother's event, and they each do their own thing. They can decorate, use cut-outs, place photos, frames and stickers to make their page (or pages) depending on the number of photos and extras placed on the page. That way each member can say, they helped in making your Units History Book!

A two-page spread example -

Sharing doesn't only mean sharing responsibilities either - Sharing information that you've found about your Post Home building, the History of its' name sake, or when your Charter was started - are pieces of information that everyone needs to know. I hope that you can find at least 1 really cool piece of History and share it on the Department Facebook page.

UNIT 112—Winter Park

As you've already heard, our Auxiliary theme chosen by our newly elected Department President, Charlotte Bass, for the 2024-2025 program year is:

"Securing our Foundation to Build a Stronger Future."

#MembershipsTheKey in our goal of **#BuildingTheHouse**.

We kicked off our 2025 membership drive as of July 1st and we are thrilled to report that so far, 23 of our 2024 members (79% of our membership goal) have already paid their 2025 dues! Our challenge this year is to grow our unit to 29 members. The more members we have, the better we can serve the Veterans in our Post and community along with working, and even expanding, what we do as we work the other Auxiliary programs.

So what have we been doing recently?

In June, Marge, Debi, and Nell attended the Department Convention. Our July meeting featured the installation of our 2024-2025 officers along with the officers for the Post and SAL. Congratulations to President Marge, Vice President Terry, Secretary-Treasurer Nell, Chaplain Debi, Sgt at Arms Laurel, and Historian Madelda. As usual, our installation had officers installed via Zoom. Special thanks

to District President, Penny Kanbara and her team for supporting our Unit.

Also in July, Nell attended the Department Workshop and picked up lots of valuable information that will help our Unit as we work the Auxiliary programs. Our Post Adjutant also attended the Workshop and found lots of interesting information that can help our Post.

In August we joined Post 112 members at their meeting for updates from one of our Girls State delegates and the Post 112's four Boys State delegates. Pictured left is one of our delegates receiving her Girls State medal from President Marge. Another of our delegates joined us on Zoom for our regular August Unit meeting on 8/20.

Please join us on 9/11 as we honor the fallen with our Winter Park Legion Family. Patriot Day Ceremony at 10am followed by refreshments and fellowship until 2pm. See flyer on Page 4.
